

AGREEMENT FOR THE BUYER

GUARANTEE

PART A – General Agreement for all Buyers

I, the buyer, agree that I have seen the kitten and believe it is healthy and I am satisfied with my purchase. I understand that my kitten will come with a five-day guarantee. Please note: there are no refunds given and this guarantee provides *exchange only* for a new kitten in return for the kitten purchased, unless otherwise negotiated with the seller. The seller has ensured the kitten is vet checked prior to sale and if I am in doubt of the health and condition of your new kitten, it will be my responsibility to have it vet checked at my expense and returned within five days of purchase.

The guarantee will be void after 5 days of purchase without exception. Two veterinarian certificates are required stating why the kitten should be returned before an exchange will be offered by the seller. Should the kitten need to be returned, for any reason, it will be required that the buyer transfer microchip ownership back to the seller.

I THE BUYER AND NEW OWNER agree to follow through with the immunisation and veterinarian care of this kitten and will act as a responsible owner. I also understand that my kitten has been vet checked, I am satisfied with my purchase and agree with the above conditions.

Sexed/De-sexed

I will take responsibility to have the kitten de-sexed or, if I intend to breed, I will agree to do so under the guidelines of the FCCV or a recognized governing body.

THIS KITTEN IS SOLD AS A PET ONLY

PART B – Interstate & International Shipping ONLY

Additional agreement to be signed by interstate and international buyers.

Prior to flying out the kitten will be vet checked a second time, for which an additional \$50 fee will be payable to the seller. I, the buyer, understands the inherent risk of flying a live animals and, although the utmost care will be taken, will not hold the seller responsible for the animal's welfare after leaving the seller's residence. It is the buyer's responsibility to liaise with the chosen airline or pet carrier to ensure the animal's safe arrival. Buyers who are international or interstate or not local are liable for all shipping costs should a kitten need to be returned.

THE BUYER PAYS FOR SHIPPING OR FLIGHT
